ColorStar® Impressions

Customer Satisfaction Guaranteed

M+A Matting is where design and function come together, where quality isn't compromised to meet a price point, and where solutions to your safety and maintenance problems come first. We promise our customers an unconditional, 100% satisfaction guarantee.

M+A Matting is committed to reducing our environmental impact. We are continually improving our environmental performance as an integral and fundamental part of our business strategy and operating methods. We have reduced waste going to landfills and recycle most paper, metal, cardboard, plastic, carpet, and rubber waste we generate. Our commitment is also evident in our development of dozens of mat styles that contain recycled materials.

For over five decades, M+A Matting has been America's leader in innovative floor protection systems, industrial safety, anti-fatigue products, and high-performance entrance matting. If you are looking for better ways to minimize maintenance, prolong floor surface life, reduce cleaning costs, improve safety, or increase worker comfort, ask for M+A Matting.
