

**NBR<sub>x</sub>**<sup>TM</sup>

Performance Multiplied.

Designed for laundries. Built for their customers.

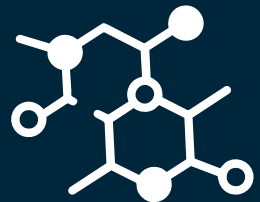

### Stronger

Engineered to flex under pressure without losing performance.

### Lighter

Up to 9% lighter for easier handling and more mats per cycle.

### Richer

No fillers. Just a cleaner, high-integrity rubber compound.

NBR<sub>x</sub> is a breakthrough in rubber formulation, purpose-built for the demands of modern laundering. Every element has been engineered for maximum performance: it's lighter to handle, richer in formulation, and stronger where it counts.
