Please note that for items to ship same-day or next-day, your order must contain only express items. Including other items in your order could delay the shipping of your order until the production of your other items is complete. If you need to order express items and other items, we recommend placing two separate orders to ensure a quick turnaround on your express items. Visit www.mamattng.ca/stocked for the most up-to-date list of stocked mats.
